As a previous student of the CT public school system, I am writing to strongly oppose SB 738, SB 457 and SB 874, as well as any other bills relating to the forced regionalization of Public Schools in Connecticut.

My experience as a New Canaan public school student provided me with a quality education that prepared me for college and for my current professional career. I strongly believe that forced regionalization of the public schools will definitely jeopardize the quality of our schools and will take away from the positive aspects of growing up in a local community.

I am strongly urging you to oppose SB 738, SB 457 and SB 874 along with any other forced regionalization bills.

Sincerely,

Elizabeth Swindell, New Canaan, CT
